## SHIELD 1980

### *Alma Mater*

We are loyal Knights of Foothill  
 Hail our colors black and gold.  
 We pledge our love and our honor  
 To her glory we will hold.  
 Let everyone sing out,  
 Raise our voices to the sky.  
 Praise the black and gold forevermore  
 At Foothill High !!

*We come to Foothill unknown and alone and meet through common problems and similar routines. The life of a student at Foothill revolves almost entirely around his school. The campus atmosphere is related to the student's moods, emotions, and his perspective on the day. He finds joy in making friends and sharing thoughts, memories, hopes, and dreams. The friends he makes now he will most likely have all his life. All of these feelings come together to make up life at Foothill High School — "I like the 'knight' life."*

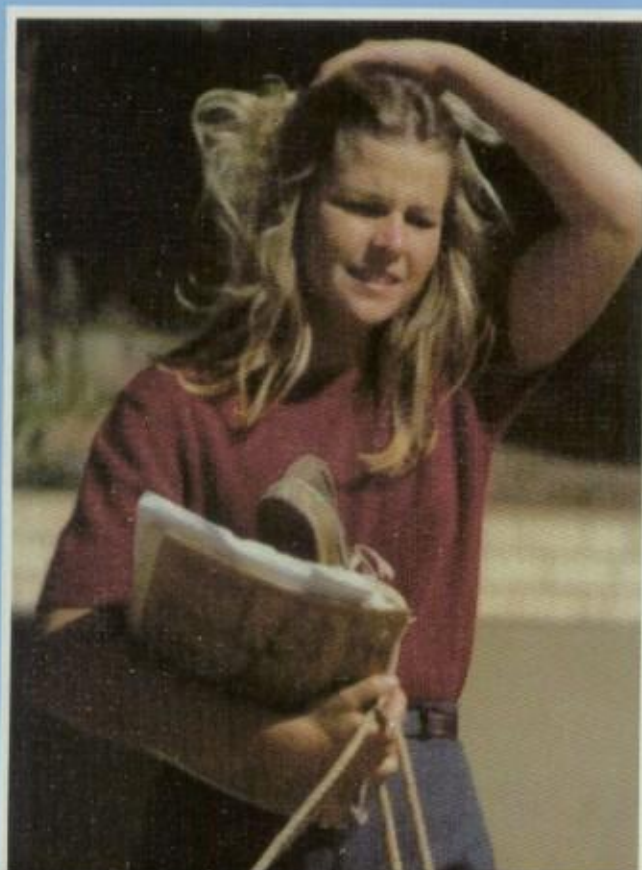

***When you educate a man you  
educate an individual. When  
you educate a woman you  
educate a family.***

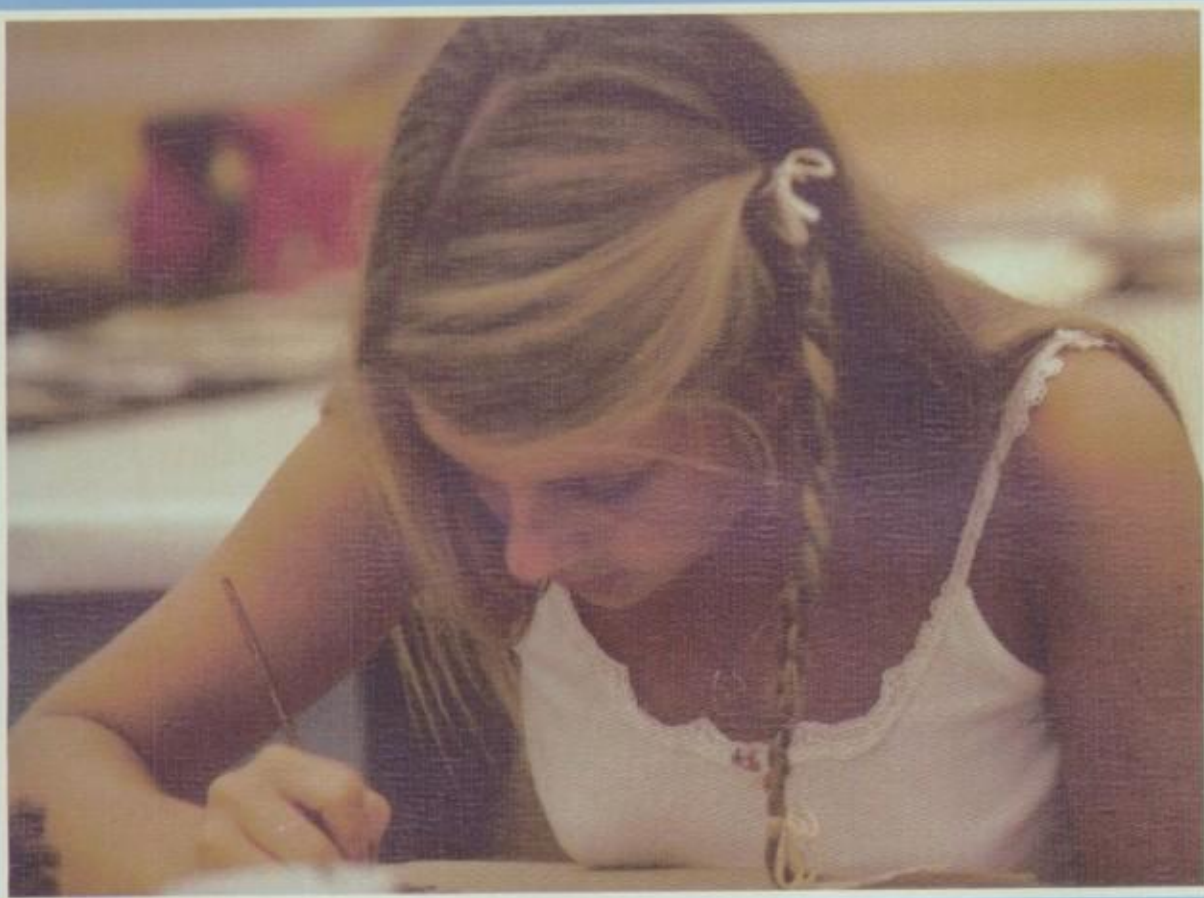

***Knowledge  
is of two  
kinds. We  
know a sub-  
ject our-  
selves or we  
know where  
we can find  
information  
on it.***

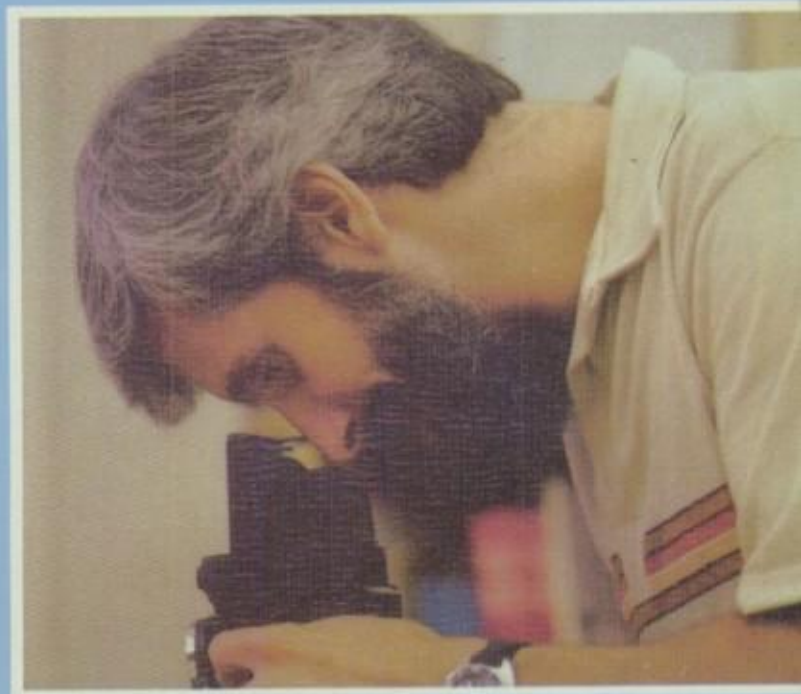

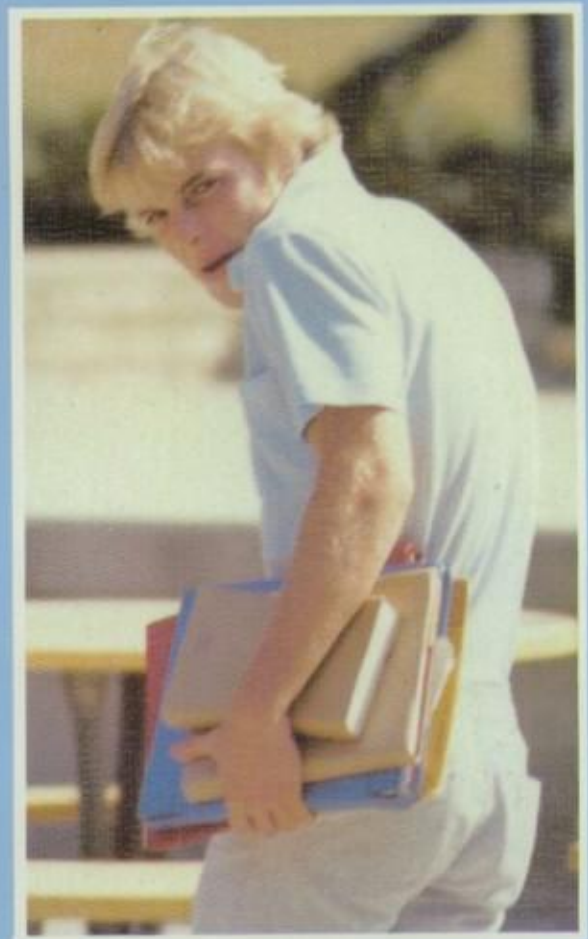

***The object of teaching a child is to enable him to get along without his teacher.***

***If we learn by our mistakes, we're getting a fantastic education.***

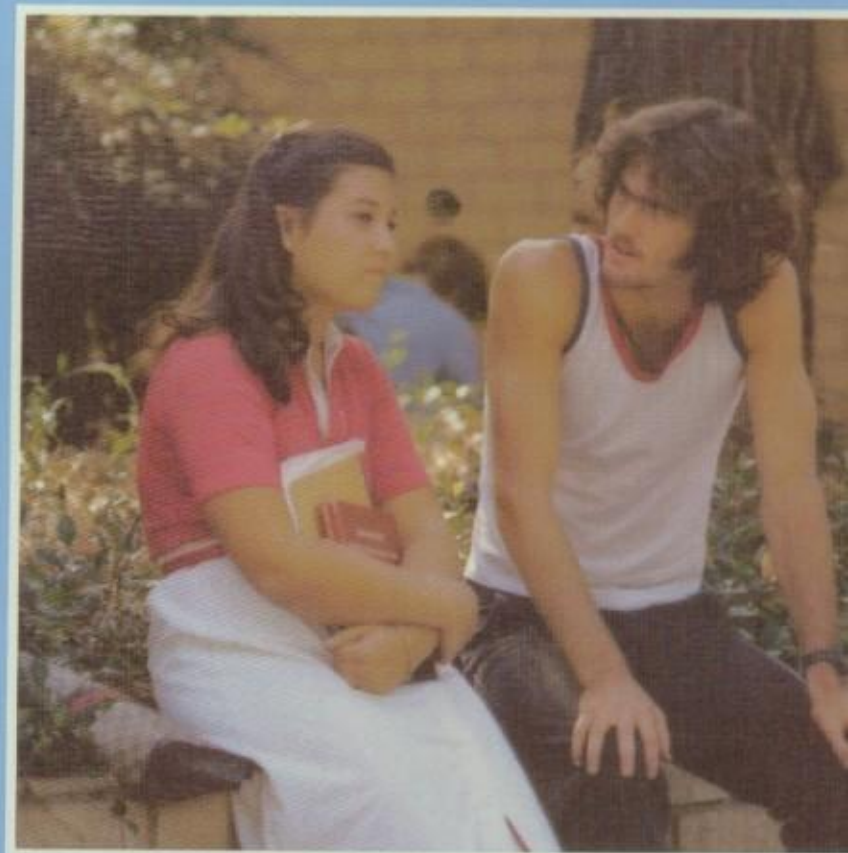

***If at first you succeed, try to hide your shock.***

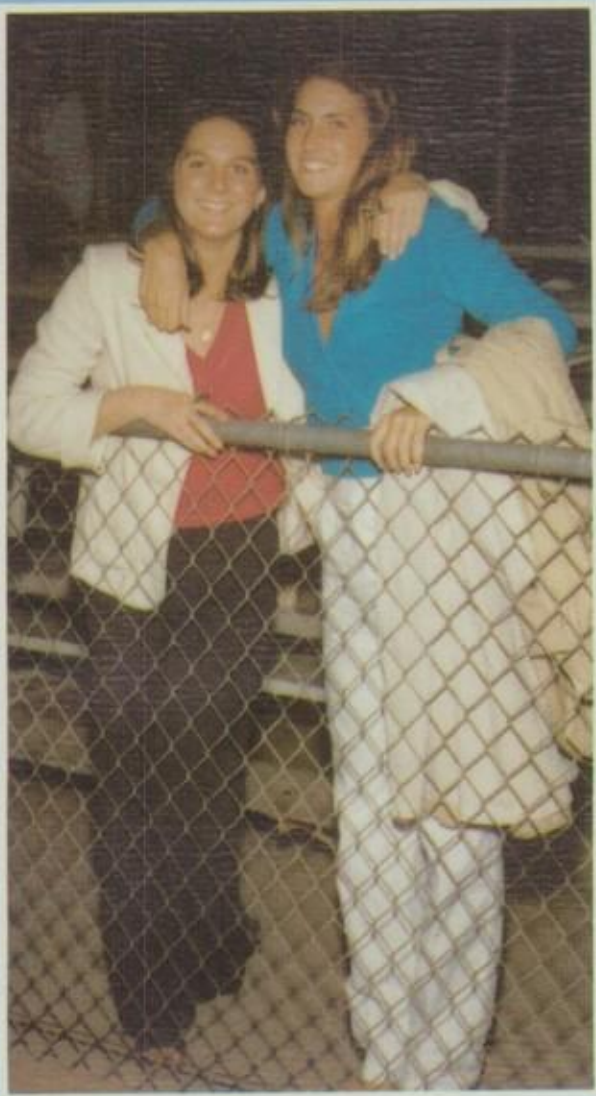

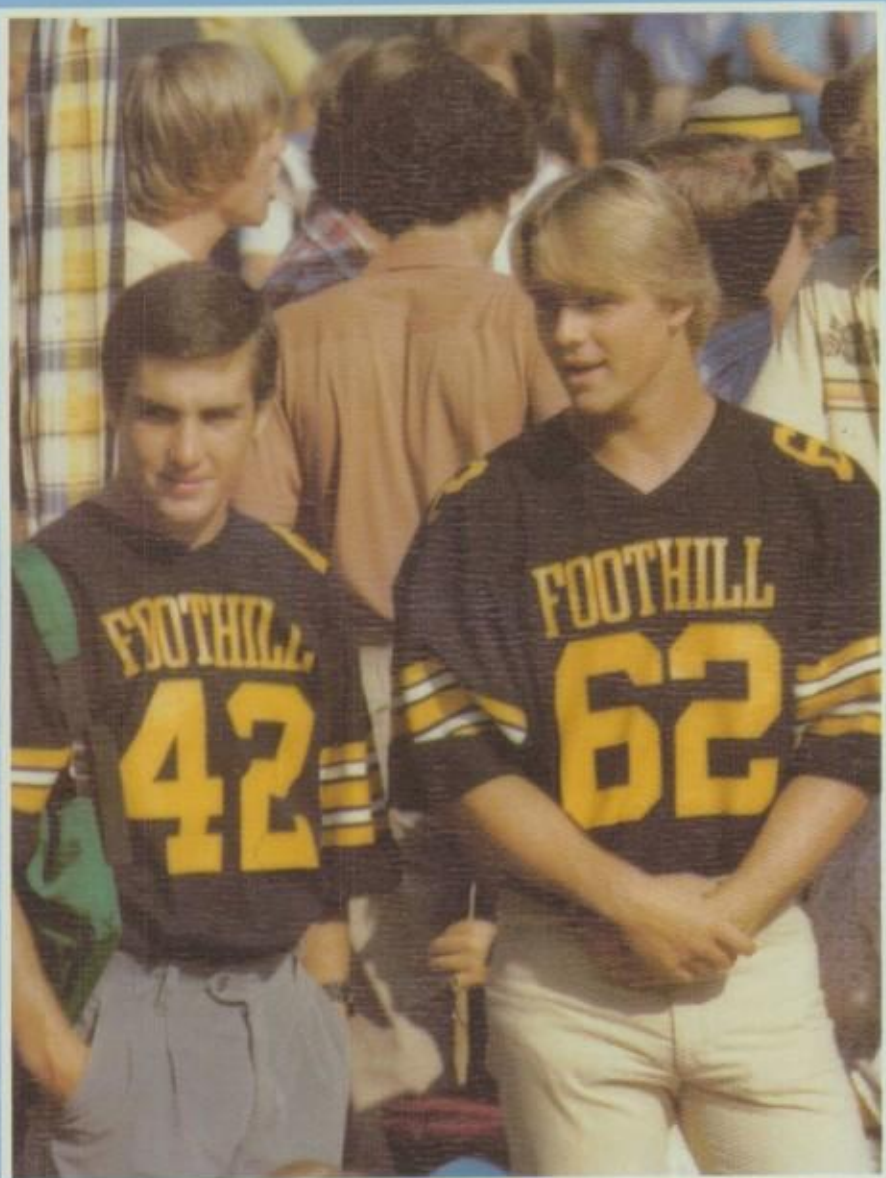

*We cannot tell the precise moment when friendship is formed. As in filling a vessel drop by drop, there is at last one drop which makes it overflow. So in a series of kind gestures there is at last one which makes the heart run over.*

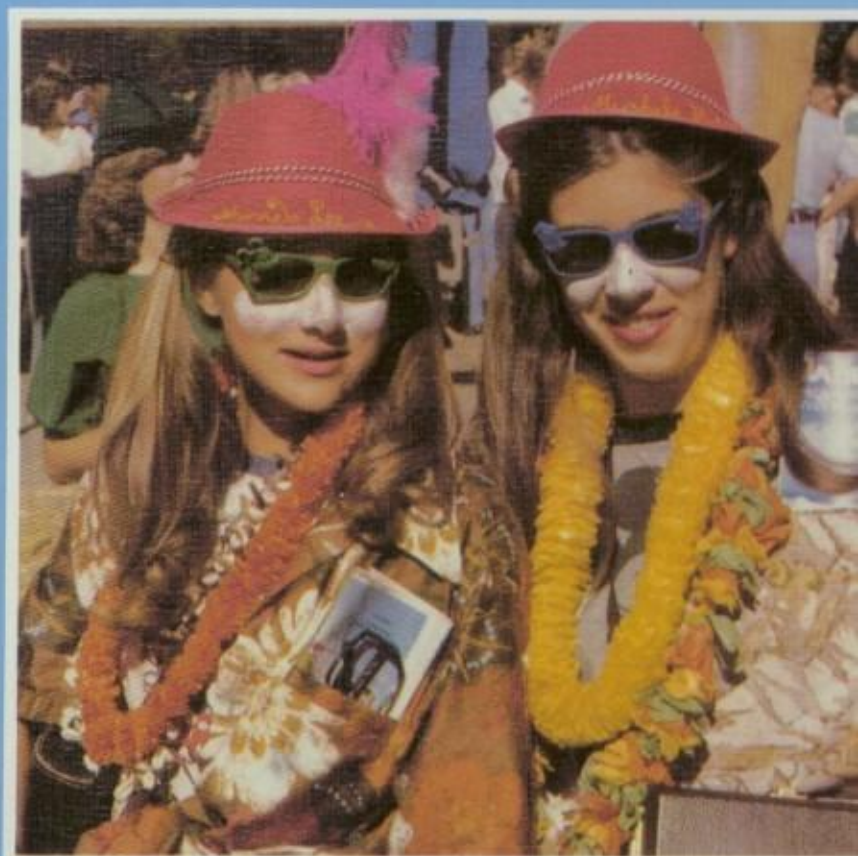

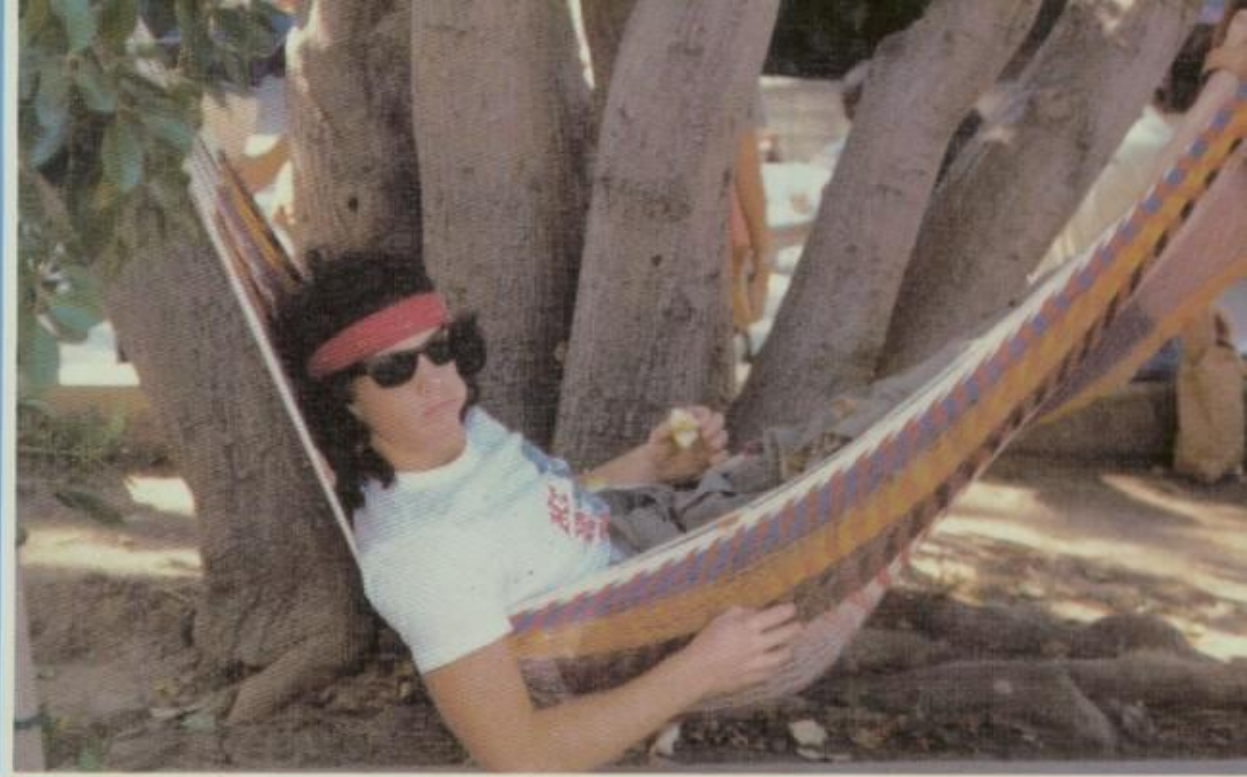

*Our friendship has taken on a new meaning since we traded comic books and shared the same heroes.*

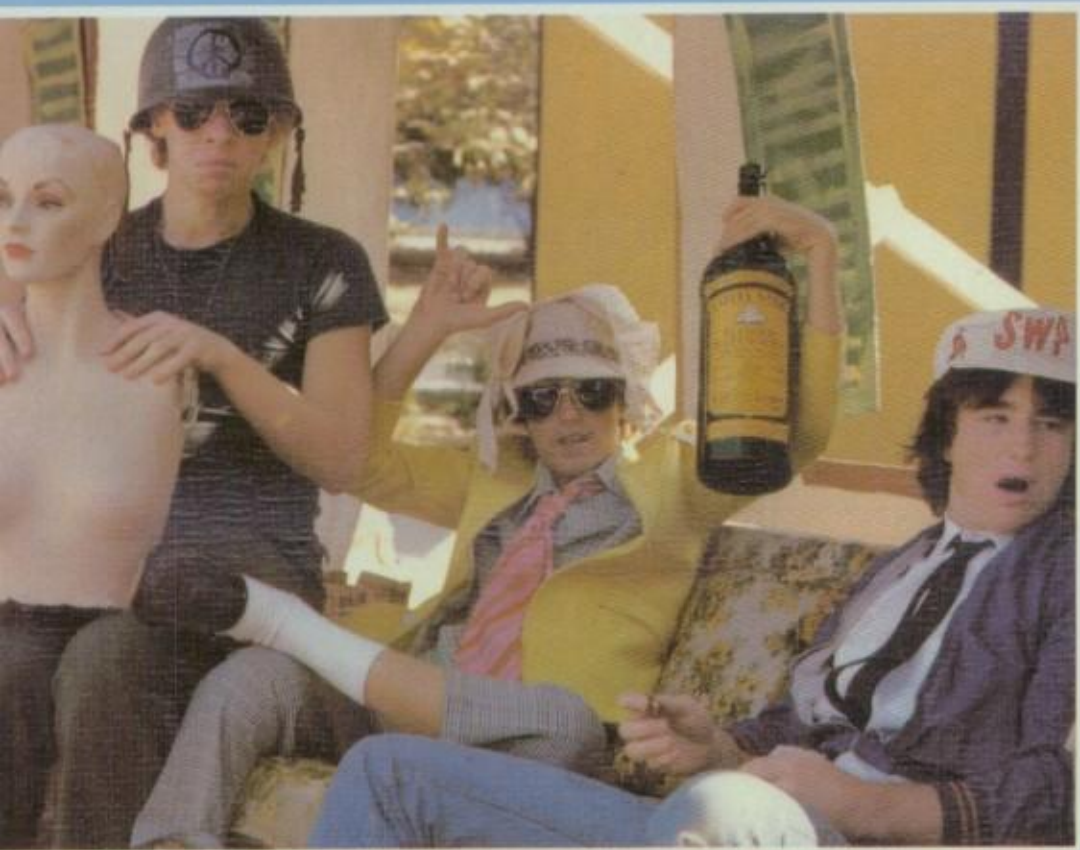

*When shall we three meet again —  
In thunder, lightning, or in rain?  
When the hurly-burly's done,  
When the battle's lost or won.  
— Shakespeare*

*The world is like  
fruitcake; it  
would not be  
complete without  
a few nuts.*

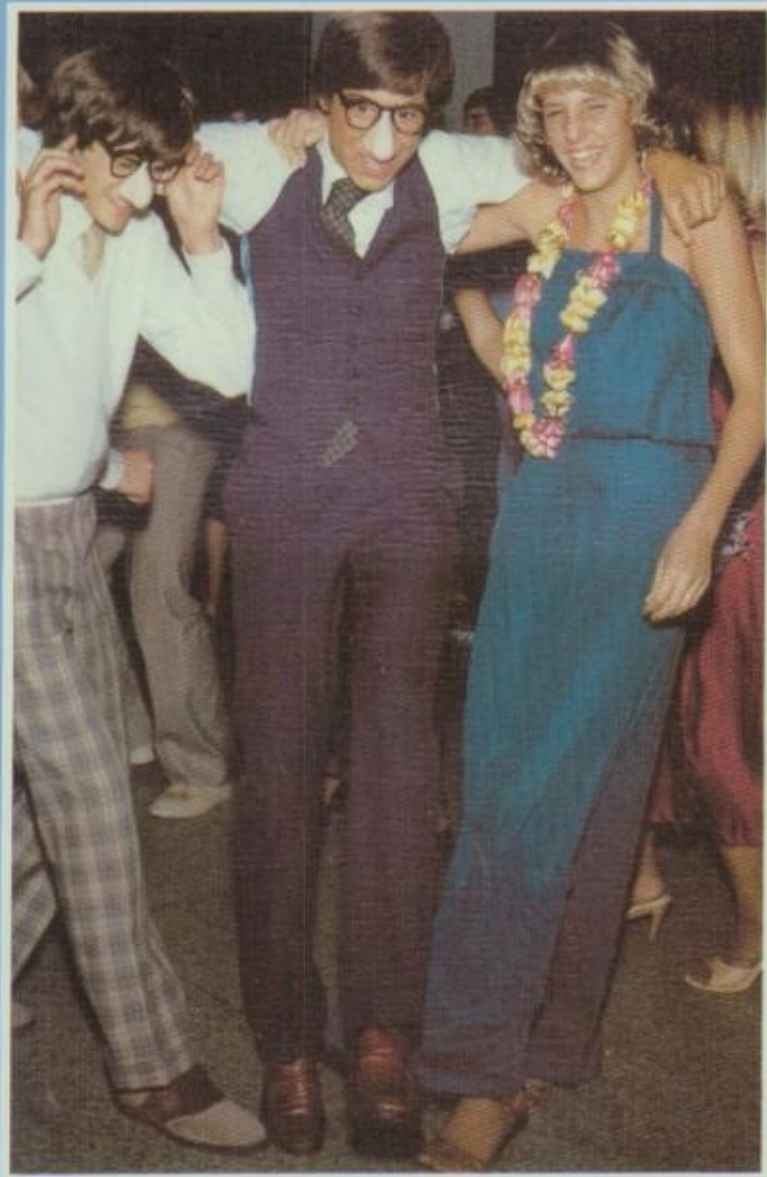

*When we start to count  
flowers  
we cease to count weeds;  
When we start to count  
blessings  
we cease to count needs;  
When we start to count  
laughter  
we cease to count tears;  
When we count happy  
memories  
we cease to count years.*

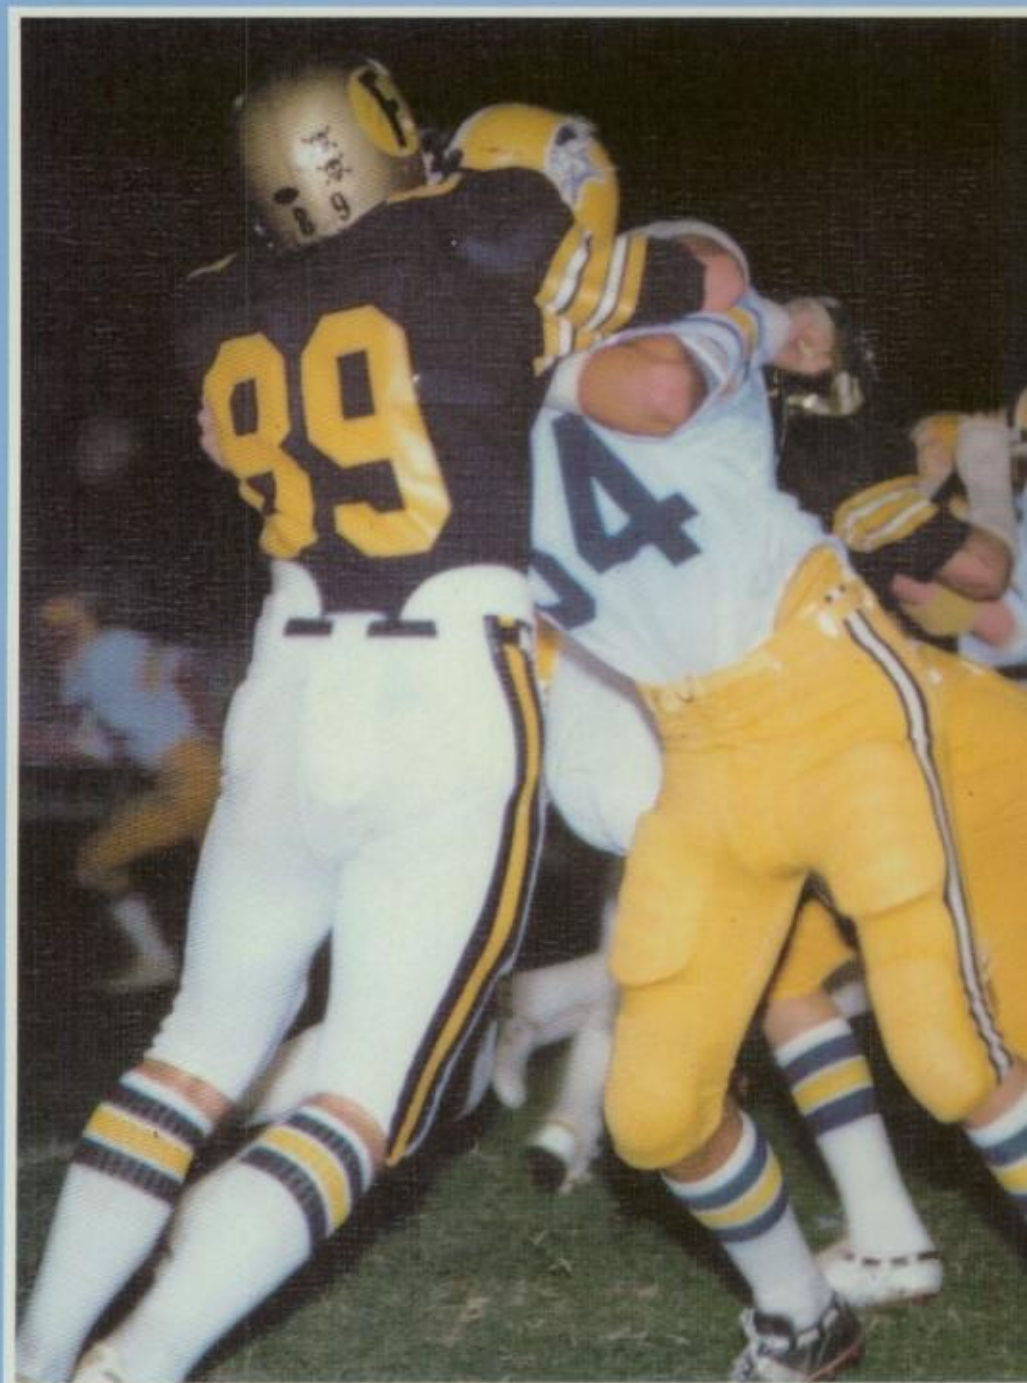

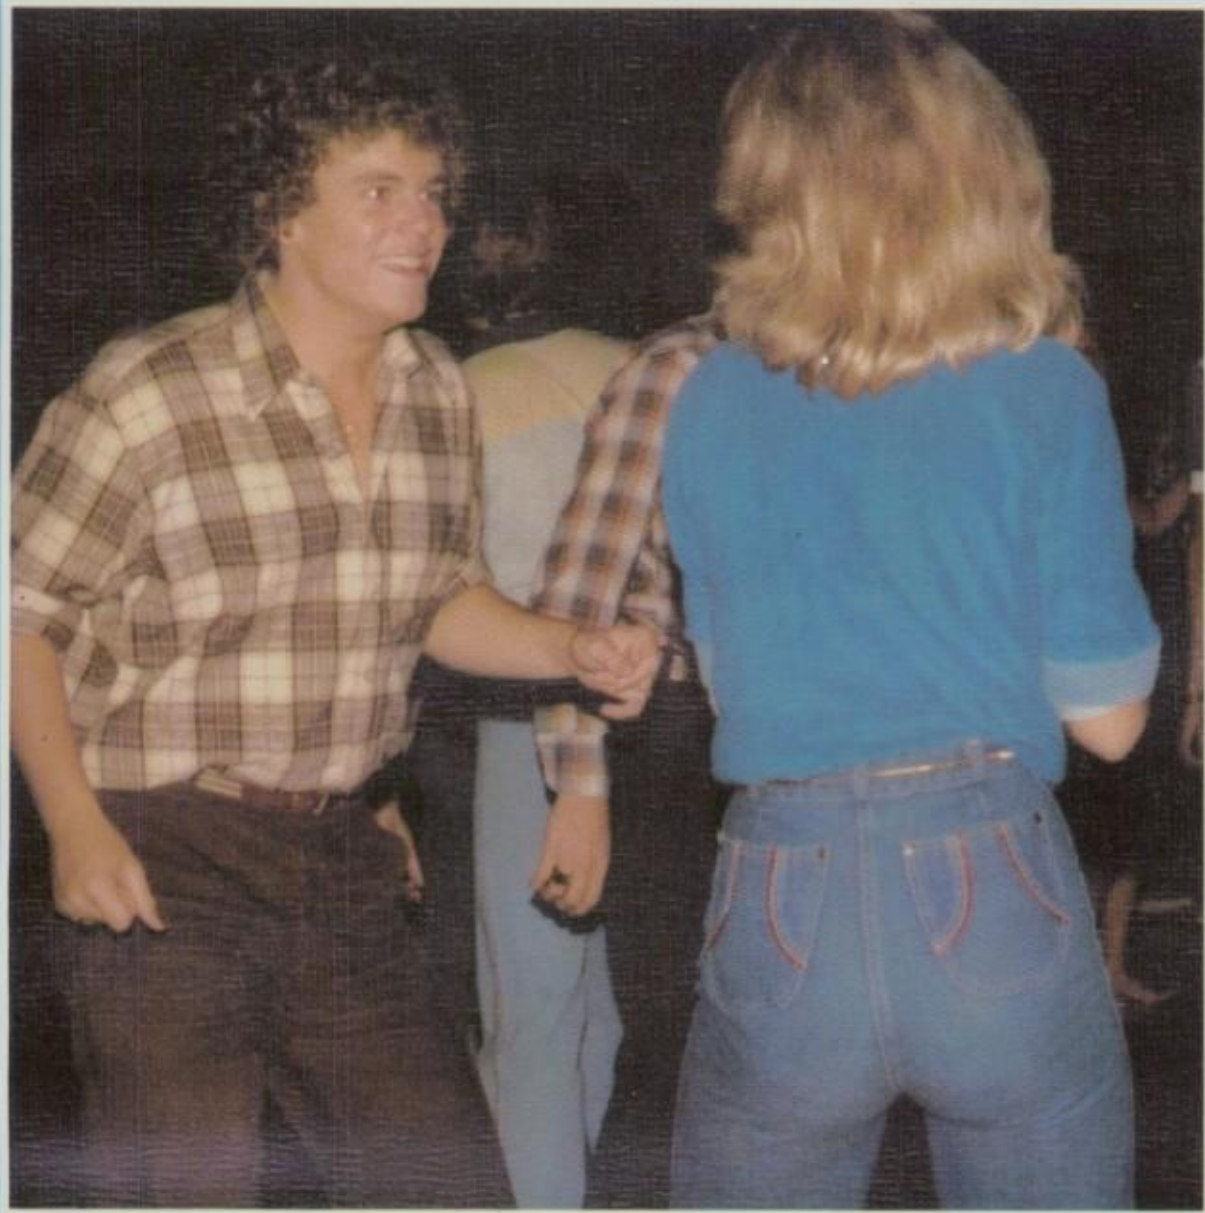

*This time we  
almost made it  
... didn't we.*

*It's not that you  
do something  
for someone,  
it's that you be  
something to  
someone.*

*Win-  
ning  
isn't  
everything,  
it's the  
only  
thing.*

*There are two ways  
of spreading light —  
to be the candle,  
or the mirror that  
reflects it.*

*Give the best that you  
have to the highest you  
know and do it now.*  
— *Ralph W. Sockman*

FACULTY

# ADMINISTRATOR

Coping with the problems of running a high school is a tremendous challenge.

Foothill's faculty were asked what occupation they would enjoy most if they were not teachers. Some also included their strangest experience. Here are the results.

SHEILA ADAMS: Doctor.

ED BAIN: Doctor.

LAWRENCE BATH: Prime minister. The funniest thing that ever happened to him was having Steve Koser beat him in a game of casino after trying for five years.

CHARLES BRADLEY: Farmer.

JUDITH CHAMBERS: Writer. The strangest thing to happen to her was having three accidents in one year.

SHU-YUNG CHEN: Teacher. Her most unusual incident was when her 1971 M.M.A. classes gave her a surprise birthday party in her own home without her knowing about the preparations.

ELECTRA CHRIST: Actress. Being locked in the women's restroom with Miss Woodroffe and Miss Bomar was her most unusual moment. They were rescued by Mr. Wiseman.

DUFFY CLARK: Imperial Wizard of the Mystic Knights of the Sea. He considers falling asleep while lecturing the oddest thing to have happened to him.

DONN COOK: Mountain climber or park naturalist. His most unique experience was when he ate chocolate chip cookies made with "Exlax".

CURT CURTIS: Teacher.

TOM DE LONG: Lifeguard.

EDWARD DOYLE: Performer. The most peculiar event to involve him was turning over in the custodian's cart.

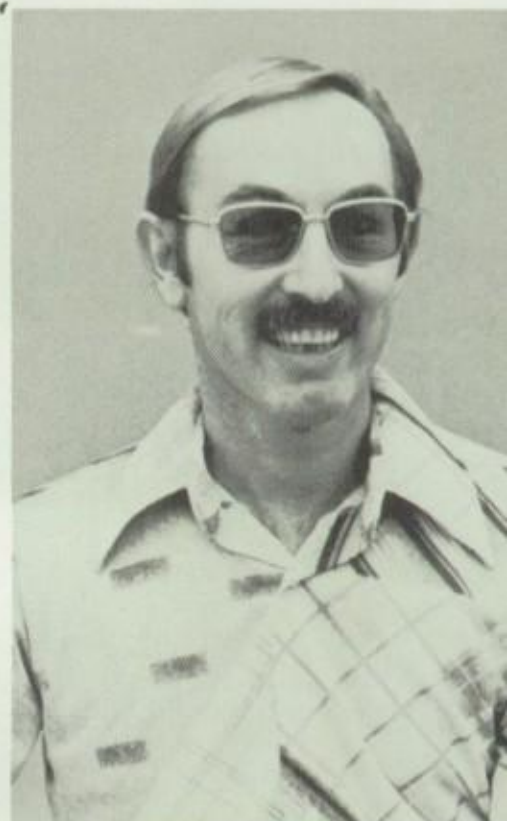

BILL DUNLAP: Photographer. He claims the most "interesting" experience was having Claude Wiseman as his "assistant".

BARBARA EASLICK: Principal.

WILLIAM EASTON: French Foreign Legion.

Foothill's faculty were asked what occupation they would enjoy most if they were not teachers. Some also included their strangest experience. Here are the results.

ROY ELLIS: Welder/blacksmith.

LINDA FARNELL: Brain surgeon. Her most unusual experience was while her students distracted her another slipped an unchecked book into her grade book. As she attempted to leave, the turn-stile locked, the alarm sounded, and everyone in the library glared accusingly in her direction. Meanwhile peering through the window from the hall, her class had congregated in anticipation of a successful prank and the students were obviously pleased with themselves.

PETER FEHER: Work in the U.S. State Department, at an administration-public-personnel position, stationed in the United Kingdom.

JUNE FELDER: Animal trainer.

MARY LEE FLEISCHER: Attorney.

STEVEN FROGUE: Editorial cartoonist. His most memorable moment was seeing Foothill as an evacuation center in the "big fire" of 1967.

NICHOLAS GASPAR: Professional student. His strangest experience was a conversation between a student and a computer during which the computer revealed the outcome of World War III.

ELIZABETH GECSEY: Successful artist. She considers the time at registration when the art teacher was listed as TBA (to be announced) and students thought her name was TBA as her funniest moment.

SID GITTHENS: Truck Driver. His most bizarre incident was his lemon meringue shampoo, or wearing his pie at break!

LAURA GREEN: Lawyer.

WESLEY HAMBIDGE: Teacher. He believes teaching in the same school where he was once principal has been his strangest experience.

ROBERT HICKS: Office Manager.

JOYCE HILL: Nurse.

JOHN HOGAN: Constructing energy-efficient homes.

MARY HELEN HOLDITCH: Journalist or TV anchor person.

Foothill's faculty were asked what occupation they would enjoy most if they were not teachers. Some also included their strangest experience. Here are the results.

**DAVID HOROWITZ:** Brain surgeon. He once chased Diane Di Marco with a butterfly net and that was an experience!

**LINDA HORVATH:** Concert pianist or opera singer. She considers painting the mural in the 100 Building her most unusual experience.

**HANK HUMMELL:** Mechanic. Winning the Crestview League Varsity Basketball Championship was his most memorable experience.

**KAREN JAHNIG:** Veterinarian. Her funniest moment was sewing up Tom DeLong's slacks after he bent over too fast.

**JAMES JENTGES:** Tax lawyer. When having the typing room completely darkened so as to check the abilities of the students to type by touch, his dictation was interrupted by one boy who stated, "I cannot hear you because it is too dark in here."

**ALLEN KANYUCK:** Orthodontist.

**SHIRLEY KELLEY:** Potter. Her strangest incident was a bomb scare. The locker room was searched and the entire student body was herded to the football field. They had to use Room 101 as the girls' locker room.

**RUSS KENNEDY:** Airline executive.

**GEORGE KORICH:** Yearbook advisor. This was also his most unusual experience.

**STEVE KOSER:** Hugh Hefner's partner.

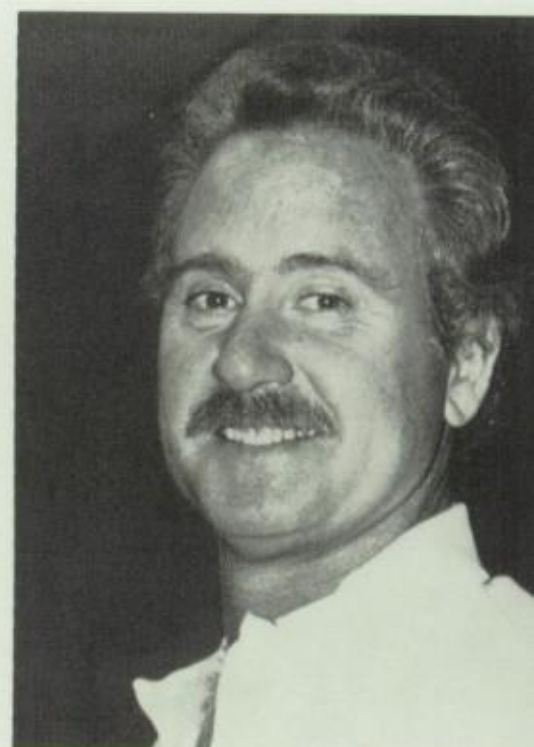

**MIMI LEARNED:** Architect.

**TRAVIS McWILLIAMS:** Contractor.

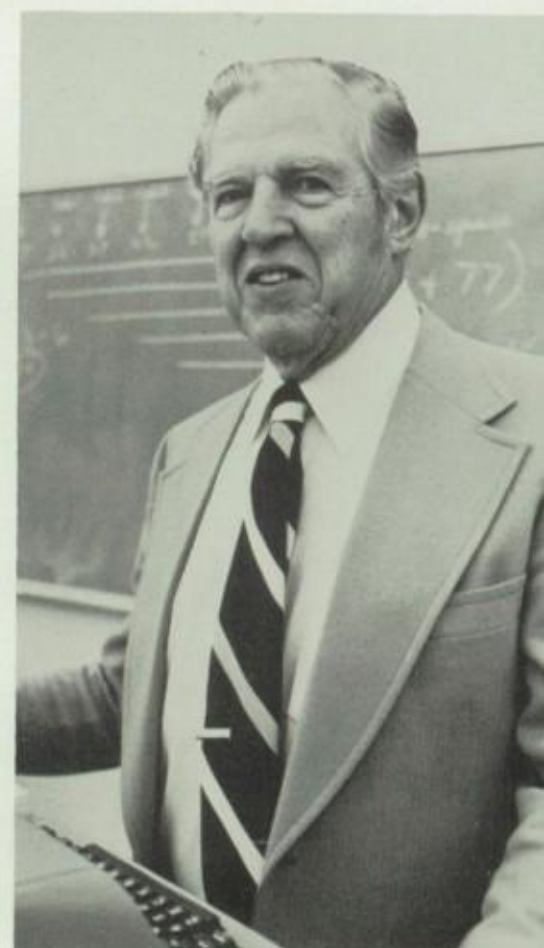

**LARRY MINNE:** Foreign correspondent. His most memorable experience was having a book by a former student dedicated to him.

Foothill's faculty were asked what occupation they would enjoy most if they were not teachers. Some also included their strangest experience. Here are the results.

TERRY MUNHALL: Biologist with the Fish and Game Department.

ROBERT NICHOLS: Tibetan Llama. He remembers when he showed first period biology the monkey movie as a very interesting experience.

ELIGIA NICHOLAI: Fashion designer.

JOHN NOLAN: Ohio pig farmer.

MICHAEL O'BRIEN: Publishing house owner. His most frightening incident was when he temporarily lost his hearing in one ear due to a trash can fire. The burning can was near a building so he moved the can away with his foot. He looked into the can to see how much material was left to burn. As he turned away, an M-80 exploded in the can. He temporarily lost hearing in his right ear. But it could have been worse, for he could have lost an eye.

ANSGAR OLESEN: Wildlife biologist.

BOB OSBORNE: Fishing guide.

WILLIAM OSTER: Architect.

RINA PATERNO: Mad scientist.

SHIRLEY PECARARO: Actress.

LULA PERKOV: Pediatrician. Her most unusual occurrence was when she had to carry an umbrella around her desk because the roof was leaking.

JOACHIM PFITZNER: Truck driver.

CLARK POSTON: Tycoon.

IRENE POWELL: Forest ranger.

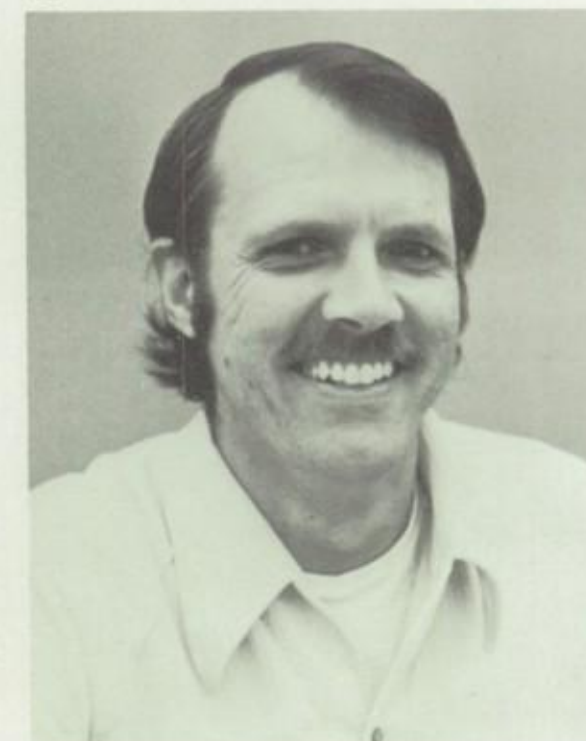

JULIE RAMPHAL: Captain of a fishing boat.

Foothill's faculty were asked what occupations they would enjoy most if they were not teachers. Some also included their strangest experience. Here are the results.

JIM REAMES: College basketball coach.

MARILYN REARDON: "25". Her most interesting experience was traveling with Foothill students throughout Europe.

RICHARD ROBBINS: Investment broker.

AL ROSMINO: Public relations. This survey was his most interesting moment.

ANGELA SATTERLEE: Travel agent. Her most unusual incident was the time her shorthand class climbed under the desks and refused to take any more dictation.

LOWELL SCHROEDER: Contractor or architect. His first year at Foothill was his most bizarre. He had to move, set up two shops (drafting and wood), serve as district Tech. Ed. Department Chairman, Foothill faculty president, build lecterns for all classrooms, and try to survive it all.

GERALD SEDOO: Professional hunter.

JOHN SEVERSON: Teacher. In October of 1965, he completed five periods of teaching without interruption. He believes this to be his most unforgettable experience.

BETTY SHAFFER: First woman governor of California.

DAVID SIMCOX: Physical therapist.

FRANK SOUTHERN: Business.

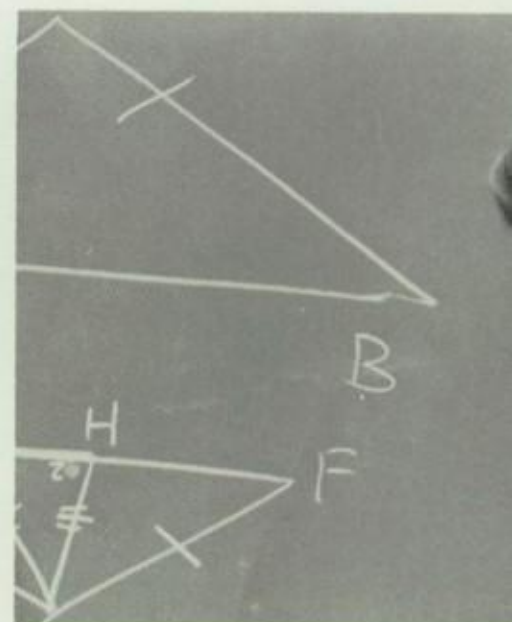

EILEEN SPRINGER: Foreign diplomatic service.

JANET TERRY: Professional student. A couple of students came to her class prepared! That was her most satisfying moment.

DAN THOMAS: Prison guard.

Foothill's faculty were asked what occupation they would enjoy most if they were not teachers. Some also included their strangest experience. Here are the results.

TAYLOR WAGNER: Rancher.

GEORGE WAIBEL: President of the United States. His most unusual incident was when students completely stuffed his office with newspaper.

BRANAN WARD: World traveler and lecturer.

WENDELL WARD: Philosopher. Every day is unusual at Foothill — usually good!

NANCY WATERMAN: Astronaut. She considers still being employed after twelve years unusual.

JUDY HEATON WEIGHTMAN: Sales trainer for an international company.

JERRY WHITAKER: Life Guard.

DAVE WILEY: Airline pilot.

CLAUDE WISEMAN: Crop duster.

DOUGLAS WOOD: Forest ranger.

HETHERINGTON WOODROFFE: Famous opera singer or dictator of the U.S.A. She would then forbid anyone to use the freeways so she could race down them at 150 m.p.h. Her most depressing moment was discovering that not everyone loves English.

KAREN YETTER: Meteorologist. Her most absurd experience was measuring skirt lengths to meet dress code standards.

BOB ZEICH: Professional athlete. His strangest moment was teaching the children of a girl he went to high school with, and he was only thirty-three years old!

# Varsity Lacks Experience

Foothill's 1979 Varsity Football Team was made up of sixteen seniors, twenty-five juniors and one sole sophomore. The Knights being young and inexperienced had a tough season. Their season record consisted of three wins and six losses. Although the young Knights showed more defeats than victories, they gained experience needed to be a winning team. With twenty-six returning players we can all expect a lot of improvement in next year's season.

# FRESHMEN FASCINATE FAN

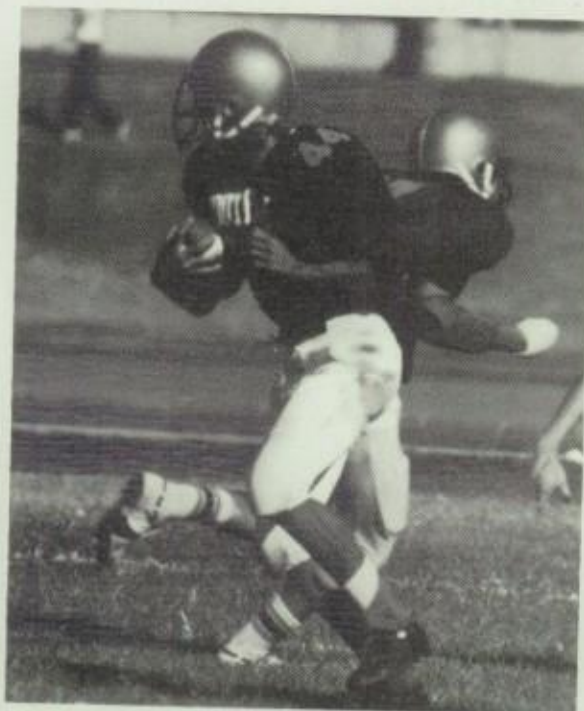

Foothill's 1979 Freshman Football Team is only the second Freshman team to go undefeated. With a 9-0 record including four shutouts the team was nothing short of being a big success. The offense dominated in most all the Freshmen's games. The offense was led in rushing yards by James Laird who had 947 yards, followed by Rex Moore with 466 yards. When the Knights passed, Tom Norris usually ended up with the ball, gaining 258 yards. The defense was led by Troy Meier with 32 tackles, followed by John Healy with 30 and Pete Carter with 26. Coach Looney and his assistants put together the talent and the dedication of these fine athletes. Everyone who took part in the team's success should feel very proud.

## *“In The Heart Of The Knight”*

The 1980 Junior/Senior Prom was held at the Marriott Hotel in Newport Beach. After dining at Orange County's finest restaurants, students all gathered in the Pacific Ballroom and danced to the beat of "Phoenix" from 9-1.

At 11:00 the Prom Court entered the stage to hear the announcement of the King and Queen. Paul Stermann and Bobbe Chilcote were crowned, breaking the suspense.

Their court was comprised of Karen Bailard, Tracey Higgins, Laurie Lang, Janine Reasoner, Mark Edson, Mark Hawthorne, Mike Marks, and Ivan Schwarz.

# SENIOR MUNCH

The final Senior Munch of the year was enjoyed at the Saddleback Inn in Santa Ana. Held in March, the Seniors were merrily entertained by a mime-comic. Entering on a unicycle, the mime "married" Scott Miller and Shelly Lawyer. He joked about swimmers, photographers, and even teachers, and then made a hasty exit on his unicycle.

## CHIP STRAIT MOURNED

On December 15, 1979, Chip Strait died in an automobile accident, but his glow will continue to warm the heart of those he touched.

At 16, Chip Strait excelled in everything he was determined to conquer.

An academically high achieving junior, he made the Dean's List at Foothill High School each semester.

He gave up soccer to play water polo where he progressed to a starting position on the varsity team. Coach David Simcox described him as a serious, intense person, who tried to hide his concern from his peers.

"He was probably more concerned about winning and doing his best than any other player. He set goals for himself and was well on his way to achieving them. I think he was pleased with himself and knew exactly where he was going."

One of Chip's proudest moments came in the final 15 seconds of a tournament game when, in overtime, he smashed a shot from the wing to win the game.

Chip's favorite teacher and good friend, Larry Minne, remembers him as a warm, friendly person, "so honest in his feelings toward people, not expecting anything in return."

"If Chip liked someone, he let them know it. He complimented you and told you that he admired you. So different from so many kids today."

His friends describe him as easy to be with, one of the funniest guys on the team. They remember the first day the team wore ties to school on game day and Chip proudly sported an orange and white bow tie. They say they had never seen him "down".

Coach Tom DeLong praised his even temperament. "He was easy to tease and the kids enjoyed teasing him for he was always a good sport. Yet he could be quiet and reserved."

Chip's determination, his warmth, his patience and optimism will live on as a challenge to those who knew and loved him.

Varsity, coached by Sid Githens, is filled with the necessary experience and dedication. J.V., which is led by Al Rosmieno, hopes to gain from their mistakes and be ready for competition by the time league play begins. Both teams look ready for action and we wish them both the best of luck.

With improved pitching and hitting, the J.V. Baseball team will certainly be candidates for league champions. Brian Bailard, first baseman, and Doug Badder, short stop, are the team's favored hitters. Gregg Haly is one of the team's best outfielders; George Ellis and Chris Reed are the team's outstanding pitchers. The J.V. defense is very good and a great addition to the team.

# FRESHMAN HOE-DOW

Freshman sweethearts were dressed as Li'l Abner and Daisy Mae on their first Recognition Day! A day that will become a tradition for their next three years. Following the "Hillbillies" theme, the class of '83 sported barefeet and freckles, while hay fights became a popular throwback from days gone by.

In a creative display of costume magic, the freshmen even spoke like hicks who had come out just to show off their denim suspenders and straw hats. The cleverly decorated quad, with stylish sets of the era, became the perfect setting for an atmosphere of feuds, corncob pipes, overalls and shot gun weddings.

# SOPHOMORES JOIN THE GANG

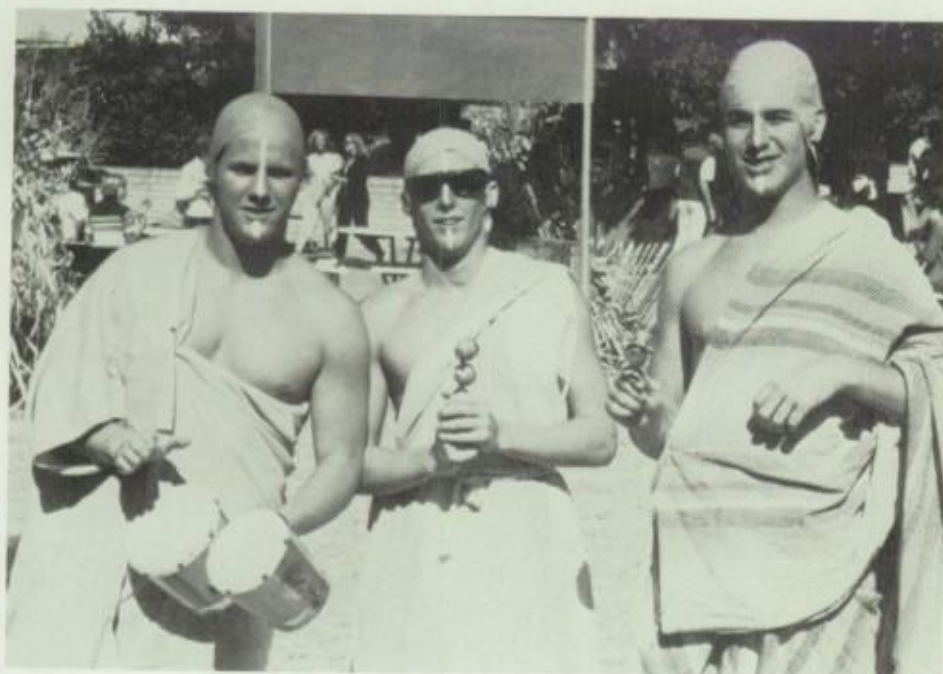

Mob violence was on the uprise and the stock market was nearing a crash. Al Capone was not yet the King of Chicago, while John Dillinger had plans to master the remaining midwest. These were the 1920's, a decade when gangsters ruled and pillaged. These years would become the prototype of George "Machine Gun" Kelly's extortion, as well as "Baby Face" Nelson, whom the newspapers would name "Public Enemy No. 1". Sophomore Recognition Day was not as dramatic, however, since the class of '82 transixed this period of fear and prohibition into a day of enjoyment for those who dressed as the "Gangsters of the '20's".

Filled with religious cult members, inter-planetary aliens, playboy bunnies, and graphically made up monsters, October saw one of Foothill High School's most successful and imaginative junior recognition days ever. With the theme "Halloween", no costume was too far out for the class of '81. Foothill's ever imaginative students turned the quad into what looked like a Hollywood set. Four volunteers turned out on the quad stage for the "blood" drinking competition, and the Junior's haunted house was complete with an "occupied" casket.

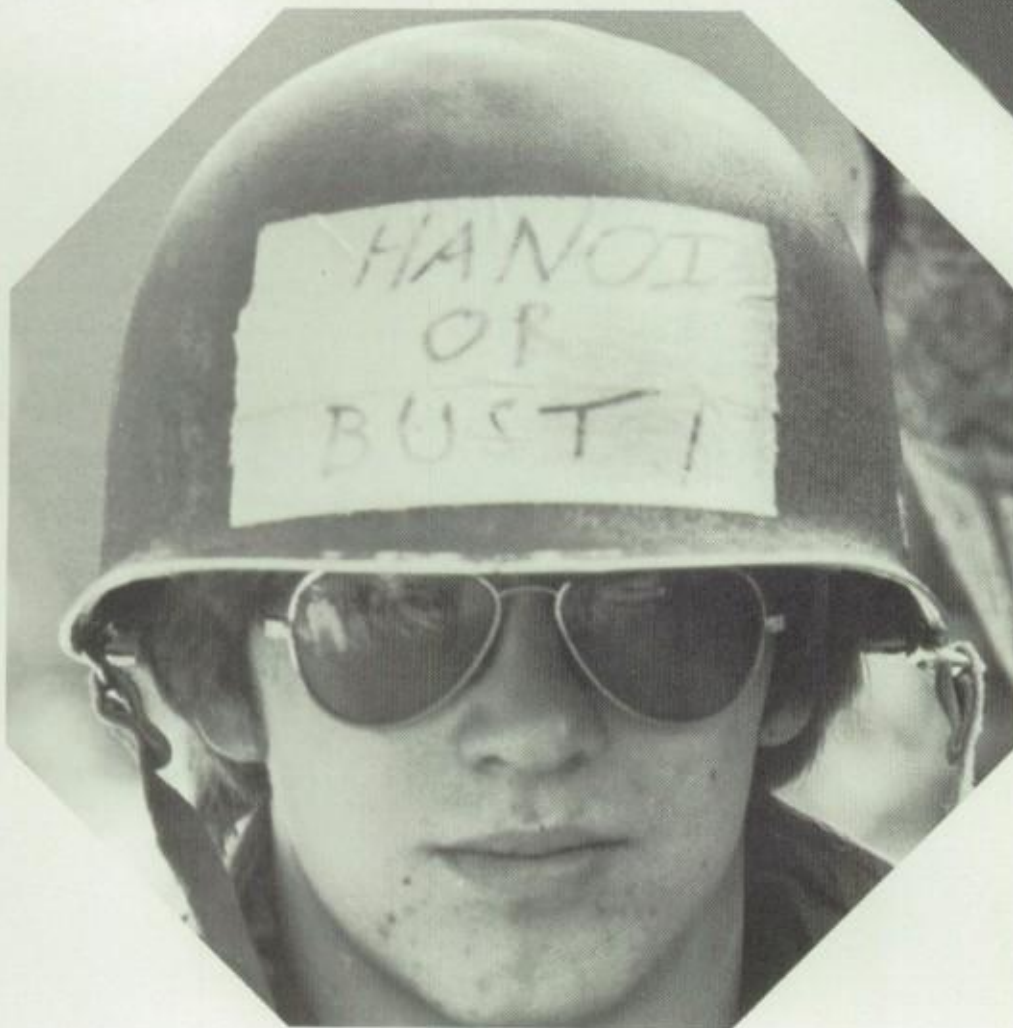

# Juniors Spook FHS on Halloween

# Seniors in the 60's

The 1960's was a period of turbulence and protest for the young citizens of a nation involved in a crisis with Viet Nam. The decade saw the terms of four presidents, one of which was tragically slain by an assassin's bullet; the remaining served terms at a time when our national unity was put to the test.

The class of '80 recreated these years of turmoil on their recognition day with the theme "College Life in the '60's" as their guide. Seniors protested against LBJ and, dressed as flower children, spread the message of peace and love. They participated in "sit-ins" on the quad floor, and were entertained by the "Beatles" during snack. With one of FHS's greatest turnouts ever, the class of 1980 will be remembered as participating in perhaps Foothill's most successful Recognition Day thus far.

# FEAST AND JOUST

Foothill's Feast and Joust day is a traditional event that had the seniors dressed in togas and participating in activities ranging from the chariot race to the highlight tug-of-war. Some seniors acted as slaves serving their masters an abundant array of cuisine and assorted refreshments. This was one of those rare events that lasted the entire school day. The "slaves" delivered their "masters" to class, as well as hand fed them and complied with each of their commands.

Foothill students were "ReuKnighed" at the 1979 Homecoming Dance held at the Disneyland Hotel on November 3. The dance was highlighted by the crowning of the Homecoming King, Randy Reta. Last year's Queen, Kristen Moe, crowned Laura Astor as this year's Queen at the homecoming game the previous evening. After dining at their favorite restaurants, students and Foothill alumni danced the night away to the sounds of "Evergreen" until 1:00 a.m.

This year's Christmas Formal was held on December 14th, 1979 at the Anaheim Convention Center. It was presented by the Girl's League and was enlightened by the fantastic sound of "Eclipse." In the Christmas spirit Foothill students brought presents for needy children and placed them under a beautiful tree. The evening was an overall success and enjoyed by all.

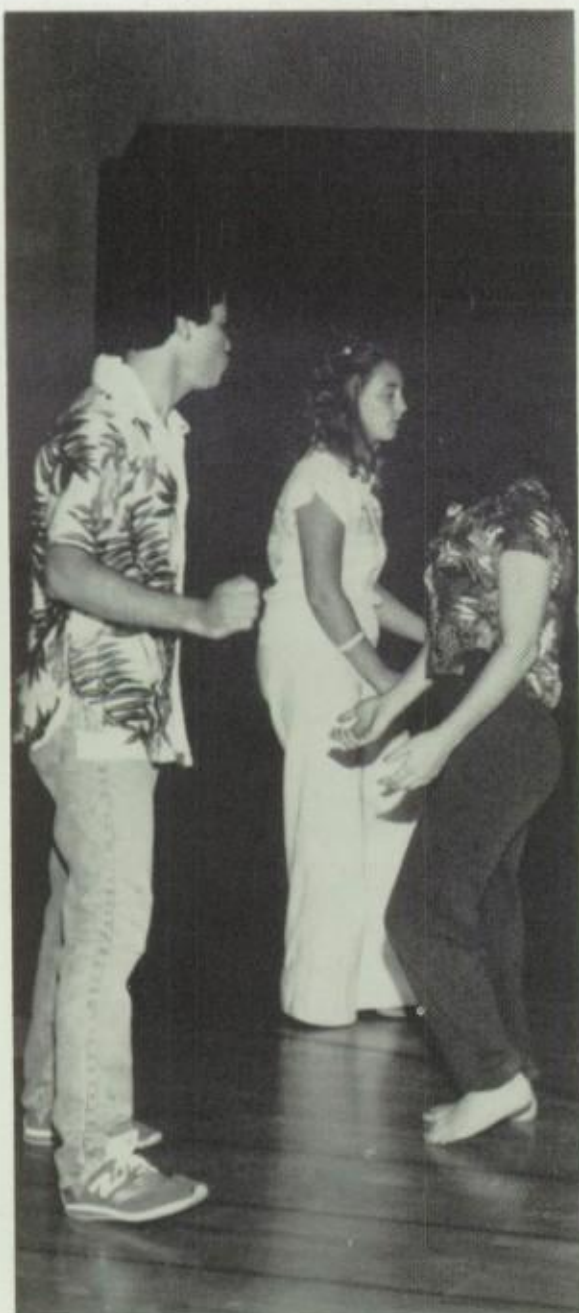

# PAPA RIDES THE CREST AT FHS

"Ladies and gentlemen, Foothill High School proudly presents the California sounds of Papa Doo Run Run!" Students won't soon forget that Saturday night in the gym. By popular demand, Papa Doo Run Run played another dance for us and made it the most successful school dance of the year. Although specializing in the sounds of the Beach Boys and Jan and Dean, Papa also jammed out tunes from the 50's, the Beatles, Deep Purple, the Who, Led Zeppelin, as well as a few originals. Highlighting the evening was "Krazy Jim's own legendary rendition of 'Wipeout'," a seven minute drum solo as originally done by the Sufaris in 1963. Excitement could be felt even before the band was introduced, and students literally ran onto the dance floor when Papa appeared in the spotlight. From "California Sin" to "Fun, Fun, Fun," it was obvious that Papa Doo Run Run is a Foothill favorite.

"Just let me hear somma that rock 'n' roll music!"

The 1979-1980 Associated Student Body Cabinet was a hard working group, committed to serving the student body. Meeting every day, this group truly represented the ideas and feelings of the students.

Working hard to achieve their goals, this year's A.S.B. was responsible for many fine assemblies and activities, highlighted by an excellent Homecoming Week and Feast and Joust. Serving as the nerve center for the entire school, this body oversaw all student projects and school functions. Together with the administration, faculty, and the various school organizations, the A.S.B. of 1979-1980 was instrumental in creating a memorable school year for all.

## *"Sir Mac"*

We, the knights of Foothill High, proudly dedicate our 1980 SHIELD to Dwight E. McCracken, a man we truly consider to be a "knight." He has been supportive of both faculty and students. He has also proven that one can be a disciplinarian and a strong leader, yet at the same time inspire loyalty and dedication. The Tustin Unified School District has been fortunate in having Dwight McCracken on its faculty since 1966 and as Foothill High's principal from 1977 through 1980.

Four years have passed us by,  
Four years given us to try.  
Four years of work, four years of play  
Four years seem like yesterday.  
Four years of friends, four years of lovers  
Four years unlike any others.  
Four years of learning what we ought to be,  
Four years of looking and trying to see.  
Four years of victories, four of fears,  
Four years of happiness, four of tears.  
Four years have come to an end,  
Four years are gone my dear old friend.
